

# TealBook's Sustainability Survey

## About TealBook

TealBook is a Supplier Data solution with the power to revolutionize how buyers locate and engage with suppliers across the world. Using publicly and privately available information, Machine Learning, and Artificial Intelligence, TealBook has created the world's largest B2B supplier data platform. TealBook's ~\$500B customer portfolio represents many of the largest organizations in the world, including a number of Fortune 500 companies, all of which are using TealBook to locate and connect with suppliers best suited to their requirements.

## What is the Sustainability Survey?

TealBook is committed to helping organizations make informed decisions on procurement strategies that align with their Corporate Sustainability goals. TealBook has launched a Sustainability Survey to capture information about suppliers' Environmental, Social, and Governance (ESG) initiatives. By taking just a few minutes to complete the survey, you could attract more business from sustainability-minded companies.

## Key Benefits

- Claim and enhance your universal company profile
- Become discoverable to potential new customers on the TealBook platform
- Gain insight into how you can start or expand on your sustainability journey

### 1. Start the Survey

You may receive an invitation from your customer to join TealBook and complete the survey. However, the survey is open to all suppliers, so you may take the survey at any time to enhance your supplier profile.

### 2. Answer Questions

You will answer 30 questions in 5 different categories:

Health & Safety

Environment

Diversity & Inclusion

Governance

Privacy

### 3. Collaborate

You can invite your colleagues to collaborate on certain questions or areas of the survey.

### 4. Receive Your Certificate

Once you submit the survey, you will receive a certificate of completion to share on your TealBook profile. This will also create a flag on your profile, so prospective buyers can easily locate your company for future business opportunities.
